A

She locked the door and went to her car. Today she has a hard day. She applied for job at school, because she has the highest education and also she was the best teacher in her last school. She left her last job, because the principal hates her. It was terrible news. She was crying. But, after she looked for a new job. Now, she's going to the cinema, she needed relaxing. She bought a ticket for "Toy story 4" and watch the film. After, she continue looking for new work. 3 hours later, she has an interview, she find a job in one day. It was amazing. She was over the moon. She is sitting in a restaurant and waiting for her friend. She wants to tell her about her adventures and story of getting a new job. Tomorrow, she will teach children ~~to~~ to speak English - it looks like a dream, her own dream.
